

Grandma Mae's Country Naturals Supports Military Families Program Instructions for Participating Retailers

Grandma Mae's Country Naturals supports families with family members serving overseas with free or discounted dog or cat food. Up to one dollar of every purchase of Grandma Mae's Country Naturals Dog or Cat Food (6 lb. size or larger) at participating stores is set aside for this purpose by Grandma Mae's.

Donations

Please set out the donation boxes and put up the poster so your customers can help even more families! Have sample sizes of both our dog and cat/kitten food available so interested customers can try our food, and have some larger bags stacked near the register so others can buy it to try it---even more profitable. If you want to advertise this program and need artwork, just email barry@nexpet.com and we will happy to help.

Remit donations (monthly or quarterly) either by check to Grandma Mae's Country Naturals, 340 East 93rd Street, New York, NY 10128. If you want to pay by credit card, call Mel or Lauren at 888-653-8021 or email us at barry@nexpet.com to make arrangements.

How the Food Program Works

Military families can apply for free or discounted pet food by going to www.countrynaturalspetfood.com and following the "We Support Military Families" link. As the website explains, free or discounted food is limited to Grandma Mae's Country Naturals at stores carrying the food: we cannot ship direct to homes or take orders online. So, if a customer has a relative serving overseas whose family is based in Texas or California where Grandma Mae's Country Naturals is not yet available, they cannot receive free or discounted product. Free or discounted pet food is limited to households where one spouse is currently overseas; however there is a comments box for special requests. Applicants are directed to check the store locator on the website. Once we approve an application, we will arrange with individual stores to provide the free or discounted food based on the family's number of pets; stores may contribute additional funds on a voluntary basis.

Contributions on bags 6 lbs & larger are currently at \$1 for 40 lb puppy, \$.50 for cat & kitten food, & \$.25 for other sizes of dog & puppy food. Unused funds, if any, will be donated to these charities: Military Pets Foster Project or Guardian Angels for Soldiers' Pets. The program is subject to funds availability.

Note: Donation Boxes may vary in size depending on availability when ordered. Donation boxes currently available in large (9"W x 17"H x 5" D) or small (6½"W x 10"H X 3⅔" D).
