

 GRANDMA MAE'S
COUNTRY NATURALS
WHAT TO TELL CUSTOMERS

- This is a brand owned by a co-op of independent pet retailers who really care about pets and the products they sell.
- Formulated by the same Ph.D nutritionist who made Innova.
- Recommended for picky eaters - no diarrhea during switch.
- Made fresh weekly in small batches. All US ingredients. Nothing from China.
- No corn, no wheat, no soy, no gluten
- Whole chicken, whole grains, no by-products, no artificial color, flavors or preservatives
- Proven formula made in USA, and tested in Canada with thousands of dogs for 6 years-the dogs there did incredibly well.
- Reasonable in price because it's co-op owned
- Good value-good formula-families can afford it. This is good for dogs! Less expensive alternative that is high in quality.
